DualEnroll.com

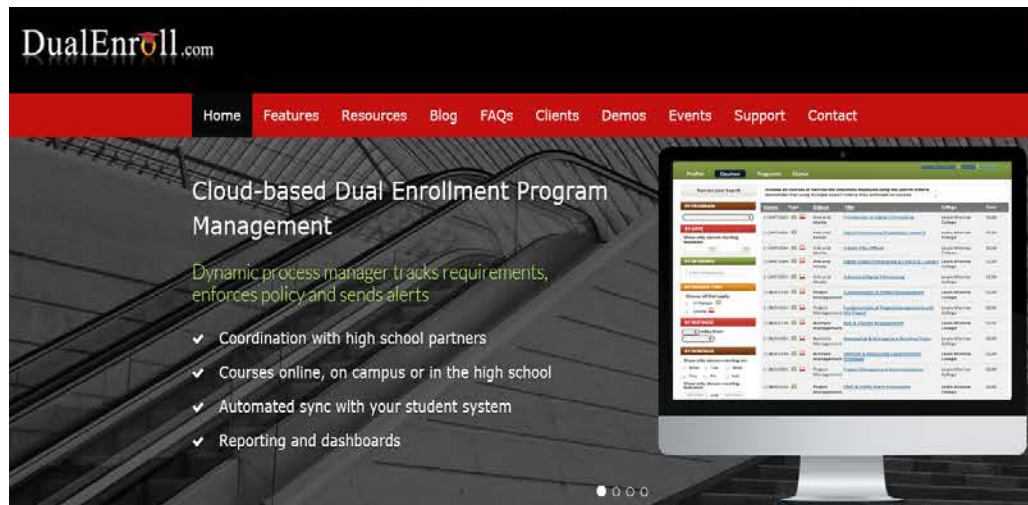

June 04, 2018

We are happy to announce that we will have a NEW ONLINE Enrollment process for dual credit this Fall.

We will be using DualEnroll.com for our online enrollment process

Company website DualEnroll.com

View the demo <https://youtu.be/DWNINHUFsmg> for a preview of this software.

CourseMaven was founded in 2009 by a team of software industry veterans with extensive experience in higher education. Our CEO, **Janet Van Pelt**, previously founded Echo360, the leading provider of enterprise lecture capture in higher education now deployed at over 800 colleges and universities worldwide.
