RE: School Site Coordinator Action

The following actions will be **required for the dual credit student applications** to move forward.
Please complete these steps to ensure that a student's application is processed in a timely manner.

Note: If a student did not select a counselor during their registration...

Select **View all students** to see every student from your school that has a pending application.

1. If a student selected the wrong counselor, you could click on the student's name and update the counselor selection so they will appear on your dashboard.
2. Under the counselor drop down, select All Counselors to see all students from your school

Steps for completing a student dual credit registration:

I. High School: Approve Student Participation *(must be completed for all students)*

- A. Open your DualEnroll dashboard
- B. Click on that step in your actions (action steps will be highlighted in yellow)
- C. If the student meets the course requirements and have the required GPA, click Yes
- D. Complete step
 1. For most of the applications this will be your only action

II. High School: Choose Test Score Option

- A. **ONLY** completed for Math, English 110/210, and Physics 123 courses
- B. This score can be recorded for a student who does not meet the other eligibility requirements (Grade and/or GPA) for the course(s).
- C. If a student has an ACT score, please record it
 1. Click on the action step: High School Choose Test Score Option
 2. If the student has an ACT score and it is not showing, please select Additional scores
- D. If the student does NOT have an ACT score
 1. Select existing scores meet college requirements only if:
 - a. the student has a 3.0 or greater GPA
 - b. the student is a junior or senior
 2. Complete Step
- E. If the student has a low GPA or are not prepared to successfully complete the course
 - a. Select the last option: student will not meet...
 - b. This will abandon the student registration for the course
 - c. Complete Step

III. State DC/DE Scholarship Payment Option (selected at parent consent as a payment option)

- A. The State Scholarship must be submitted and approved for this option to be applied
 1. university will verify student's who have applied and qualify for this payment option
 2. the scholarship will be applied to their account
- B. If Declined by the State, the student/parent will be notified to select a different payment option
 - 1.A notification will be sent to the parent stating they do not qualify for this option and to select a different payment option. Parent consent must be selected for the student to be registered.

PLAN FOR YOUR FUTURE NOW

Get a head start with Dual Credit

BEGIN WITH MSU DUAL CREDIT COURSES

Taking dual credit courses in high school saves both time and money. Complete the approved high school courses while simultaneously receiving high school and college credit for the same course work. You also save money as the cost of the dual credit course tuition is 76% less than taking the courses while in college. You can take the same courses you would take on campus, but at a fraction of the tuition cost and there are no extra fees such as: textbooks, parking passes, or other student fees.

Dual credit supports you by building a college transcript while you are in high school which helps with scholarships and transfer of credit to your post-secondary institution. Dual credit is an affordable option for starting your bachelor's degree. You can complete your general education requirements while in high school allowing you to finish your bachelor's degree earlier. You may even be able to take dual credit courses that count towards your major dependent upon your selected major and the courses your school offers for dual credit.

Over 70% of students entering Missouri State have already earned some college credit. Start planning for your future now and take advantage of this opportunity!

BEGIN YOUR COLLEGE JOURNEY FOR FREE!

THREE MORE REASONS FOR DUAL CREDIT

1. Build a college transcript

Start your college experience with a college GPA to support scholarship opportunities and maintain scholarship eligibility.

2. Individualize your degree path.

Use the extra credit hours or time to pursue additional majors or add minors.

3. Start your career sooner.

Graduate early from your bachelor's program or open time for internships and earn professional experience.

Are you eligible for Dual Credit at Missouri State?

Juniors and seniors: 3.0 GPA or higher. Or, 2.5-2.99 GPA, with a recommendation from the principal or guidance counselor. *Note: All GPA's mentioned above are on a 4.0 scale.*

Sophomores: Cumulative GPA of 3.0 or higher, with a recommendation from counselor.

Freshmen: A recorded qualifying ACT/SAT score or a cumulative GPA of 3.0 or higher, as well as recommendation from counselor.
